++ Valid for broadcast between 1800 and 0600

Headline:
Showers continuing to feed from the north tonight.

This Evening and Tonight:
Scattered showers will continue to drift southwards tonight, gradually dying away as they reach southern counties with some clearer spells developing here. Feeling cool in the strengthening northerly breeze. Minimum temperature 7 deg C (45 deg F).

Wednesday:
Fresh to strong northerly winds will push showers inland on Wednesday. A lot of brighter weather is expected too, although a real cold feel to the day. Maximum temperature 10 deg C (50 deg F).

Outlook for Thursday to Saturday:
A cold, but bright and sunny day on Thursday. Cloudier and milder on Friday but mainly dry. Likely a wet and windy day on Saturday.
